

FRONTIER 100 LEADERS NETWORK

Membership Information

Join more than 80 companies in a powerful business network focused on maximizing the commercial and social impacts of investment in Africa.

About IGD Frontier 100 Leaders Network

IGD's influential Frontier 100 Leaders Network brings together CEOs and senior executives from sector-leading companies who drive poverty reduction through strategic investments in Africa. Member companies actively engage with IGD's experienced team of industry experts and receive invitations to high-profile annual forums, where IGD fosters strategic partnerships, thought leadership, industry-specific insights and discussions to maximize the commercial and social impact of their investments.

Network Benefits and Activities

Minimum annual contribution of \$5,000 includes:

- **Members-only networking events:** global forums, receptions, and regional dinners provide exclusive networking opportunities for IGD members
- **Access and orientations to IGD's impact measurement tools:** benefit from actionable advice, thoughtful analysis, and innovative solutions to corporate impact measurement from IGD's team of experts
- **Pre-release research and knowledge briefings:** executive-level summaries on impact assessment and investment trends in African markets, sourced from the expertise of our membership
- **Media services:** company's name featured on IGD's website and collaterals, at global forums, and at events. Company work spotlighted in IGD's digital media communications
- **Access to grant-funded initiatives:** participate in IGD projects to share investment lessons and identify gaps in cross-sector value chains
- **Special access and offers through IGD partners**

Premium and task force membership are also available, customized to your company's unique needs and goals.
