

## IGD FRONTIER LEADER NETWORK

### Membership Information

Join more than 80 companies in a powerful business network focused on maximizing the commercial and social impacts of investment in Africa.

#### About IGD Frontier Leader Network

IGD's influential Frontier Leader Network brings together CEOs and senior executives from sector-leading companies who drive poverty reduction through strategic investments in Africa. Member companies actively engage with IGD's experienced team of industry experts and receive invitations to high-profile annual forums, where IGD fosters strategic partnerships, thought leadership, industry-specific insights and discussions to maximize the commercial and social impact of your company's investments.

#### Network Benefits and Activities

Minimum annual contribution of \$5,000 includes:

- **Members-only networking events:** global forums, receptions, and regional dinners provide exclusive networking opportunities for IGD members
- **Access and orientations to IGD's impact measurement tools:** benefit from actionable advice, thoughtful analysis, and innovative solutions to corporate impact measurement from IGD's team of experts
- **Participation in sector-specific working groups:** connect with fellow members to build relationships, share emerging opportunities, and develop collaborative initiatives to drive business and investment in your sector
- **Pre-release research and knowledge briefings:** executive-level summaries on impact assessment and investment trends in African markets, sourced from the expertise of our membership
- **Media services:** company's name featured on IGD's website, at global forums, and at events. Company work spotlighted in IGD's digital media communications
- **Access to grant-funded initiatives:** participate in IGD projects to share investment lessons and identify gaps in cross-sector value chains

Premium membership is also available, customized to your company's unique needs and goals.

To join, companies must meet standards related to a commitment to social impact and involvement in IGD priority sectors (agribusiness, financial services, ICT, and infrastructure). Visit our website [www.igdleaders.org](http://www.igdleaders.org) to learn more.
